After our demonstration, each student was given a brand new toothbrush, floss, and timers to help make oral hygiene fun at home! Thank you to the Nipissing-Parry Sound District Health Unit for letting us borrow Rex for the day!

Grandfather Teaching

Our June Grandfather Teaching circle will take place on Monday, June 3rd at 2:15 and will focus on Courage. Courage is represented by the bear. The mother bear has the courage and strength to face her fears while protecting her young. The bear also shows us how to live a balanced life with rest, survival and play. Find your inner strength to face the difficulties of life and the courage to be yourself. Make positive choices and face your fears to allow yourself to live your life.
